

# 2012 JR. POLO

## SPRING Session#1

### GIRLS WATER POLO PROGRAM

#### Club Philosophy

Stanford Water Polo is a United States Water Polo (USWP) affiliated club. We intend for our club to be nationally prominent by developing novice through elite players. We will emphasize enjoyment of the sport. Our philosophy is to have complete integration of all players based on a solid fundamental foundation from which players can move successfully to higher levels in the sport. Everyone will play the same system of water polo. It is our feeling that strict safety and conduct guidelines, structured training, and team-oriented focus lead to an environment where people learn and grow.
